## ABOUT US

We are an international investment firm with over 21 years of cumulative experience in the investment advisory industry. Our advisory investment strategy is driven by extensive expertise and we adopt the highest standards of risk management and both fundamental and technical analysis. We use several diversified strategies and tools all with the intent to minimize risk and maximize profits. We are distinguished by the integrity of our offering, our transparency, and our exceptional performance.

For more than 21 years, we've purpose-built our platform and services to help you trade effortlessly and better capitalize on winning market opportunities.

Our ecosystem is not only a place for you to invest in financial assets but a place for you to learn, explore and connect with other like-minded investors. We are an award-winning, multi-asset broker headquartered in the US, with over 21 years of market experience, operating in 172 countries. With more than 1,000 employees in over 30 global offices, we are there to support you in achieving your own success, faster and simpler. At Vantage, we hold ourselves to the highest regulatory and security standards so you can invest through us with absolute peace of mind. Our simple and intuitive investment platform allows you to trade over 400 different instruments no matter where you are. Our ultra-fast execution, stable performance, and round-the-clock dedicated customer service support, ensures that with Vantage, you have the edge to win. Invest with an edge.

## Our Core Values

**Responsibility** All trading involves risks and [betachaincapitals.com](https://betachaincapitals.com) helps its clients to make smart investment decisions. We take responsibility of the hard work and bear all the risks.

**Innovation** [betachaincapitals.com](https://betachaincapitals.com) has been at the forefront of the digital fintech revolution since her inception. We continually innovate to stay ahead of the ever dynamic financial market.

**Security** We take extra precautions to keep our clients' personal information and funds safe and secure. Our servers and systems are secured by the best available security protocols.

## WHAT IS INVESTING?

Investing is the process of buying assets that increase in value over time and provide returns in the form of income payments or capital gains. Investing involves committing money in order to earn a financial return. This essentially means that you invest money to make money and achieve your financial goals.

# Our Portfolio

As a financial advisory and wealth management company, we have over the years managed many high value assets. Our wealth management and investment portfolio cuts across multiple sectors.

## REAL ESTATE

Real estate development and management has been one of our major areas of focus. Investing in real estate is highly profitable and sustainable. We have helped thousands of our clients make life-changing income through investments in real estate.

## CRYPTOCURRENCY

The invention of Blockchain technology, Bitcoin, and other digital currencies opened up a whole new era of financial opportunities. We recognized the potential of the innovation and actively take advantage of the opportunities. We help our clients make smart investments in the crypto space.

## FOREX and Shares

Leverage the volatility of the largest stock market indexes in the world such as the SP500, DAX, FTSE and DJ30.

Capitalise on the moves of some of the biggest companies in the world and trade our US and Hong Kong Share CFDs
